Your kids deserve good health care!

The PCCY Child HealthWatch Helpline can help you get it for them.

Call: 215-563-5848 x17
Translation services available in most languages.

Call us to:
✓ Apply for health insurance - MA & CHIP
✓ Find a health care provider - including behavioral health
✓ Get help with insurance problems

With health insurance your child can get:
• Doctor visits (including specialists)
• Immunizations
• Eyeglasses
• Dental care
• Medical tests
• Emergency care and hospitalization
• Behavioral health treatment (including Drug & Alcohol help)
What will I need to complete an application?

• Your income for the last 4 weeks such as from employment; unemployment; child support; Social Security Disability; or Supplemental Security Income.

• Any expenses for child care.

• Immigration status such as current VISAs, asylee/refugee papers, stamped passports, or Permanent Residency cards.

• Date of birth for each child applying and their social security number (if they have one.)

• Any other health insurance that covers your child now, or has covered them in the last 3 months.

• Written evaluation, if your child has a disability.

• Unpaid medical bills for your child in the last 3 months, if they are eligible for MA.
