IS YOUR CHILD INSURED BY CHIP?

Are you out of work or had your work hours cut?

To see if you qualify for a lower cost or free CHIP option, TAKE THESE THREE STEPS NOW:

1. Call the 1-800 number on the back of your child’s insurance card and tell your insurer that your income has been reduced.

2. You will be asked to write a letter about your change in income.

3. You can email, fax or put the letter in the mail to your plan.
