IMPORTANT COVID EMERGENCY MESSAGE

Safe Health Care for IMMIGRANT FAMILIES

* Indicates office also provides low cost care to people without insurance.

Every person living in the United States can get FREE COVID-19 testing regardless of citizenship, immigration or insurance status.

If your family is affected by public charge, getting this care will NOT be used against your immigration status.

Most medical offices are providing care over the phone. Your family can safely talk with doctors and other medical staff if your child needs health care.

Call and make an appointment at one of these locations.

For more family resources during this COVID emergency go to
