Invest in Working Families in the FY 2020-21 Budget by:

- Restoring $36 million in state child care funding to reverse the FY 2019-20 cut by increasing the Child Care Services line item to expand access to high-quality, subsidized child care for 2,400 infants and toddlers and their working families in FY 2020-21.

- Use $30 million in unallocated federal funds to boost the subsidized child care tiered reimbursement rates for infant and toddler child care provided by Keystone STAR 2, 3 and 4 programs to stabilize and expand high-quality options for working families.
